2. ABOUT THE EXHIBITION

2.1. Preliminary (planned) venue of the Exhibition:

Central Asian Expo Uzbekistan International Exhibition Complex

Address: Republic of Uzbekistan, Tashkent, Mirzo-Ulugbek district, Milliy God street, no.1. https://caexuzbekistan.com/

2.2. Concept and themes of the exhibition

Goal: development of industrial and trade cooperation with Central Asian countries, including presentation of products, innovative solutions and other services most popular for the region related to the exhibition.

Purpose:

- Organization of a representative international exhibition with the participation of national and regional collective stands, industrial, financial and other companies on the themes of the exhibition.
- Organization of a business program on key topics of the exhibition.
- Organization of separate zones for more productive participation in the exhibition, including registration zone, press center, signing zone and exchange of contacts.
- Organization of an information campaign to involve representatives of government, business, associations, unions and development institutions to participate in the event.

2.3. Sections (topics) of the exhibition:

- production technologies;
- energy solutions;
- mechanical engineering;
- metallurgy and materials.

3. DATES OF PREPARATION AND HOLDING OF THE EXHIBITION

3.1. Dates: International Industrial Trade Fair "INNOPROM. Central Asia " in 2027 will be held in the period from April to December 2027 (including the terms of dismantling).

3.1.1. The dates of the Exhibition shall be published on the official website of the Exhibition and in the Participant's Guide not later than two weeks before the date of the Exhibition. Duration of the Exhibition (work of pavilions,

exhibition is open for participants) - 3 (Three) days. Installation start date - not less than 3 (Three) days before the Exhibition start, dismantling end date - not later than 2 days after the Exhibition end.

3.1.2. **Preliminary (planned) dates of preparation and holding of the Exhibition in 2027 (local time of Tashkent):**

- non-equipped Workplace: handover period - 15.04.2027; return period - 23.04.2027;
- equipped Workplace: handover period - 18.04.2027; return period - 21.04.2027.

4. GENERAL INFORMATION

4.1. Main terms:

Exhibition - International industrial Trade Fair "INNOPROM. Central Asia "of the relevant year.

Operator - operator of the exhibition, LLC "Formika Event"

Technical Service - Technical Service of the Exhibition: Technical Department of the exhibition complex CAEx within the relevant competencies.

Participant's Guide/Regulations - This Guide of the Participant of the International Industrial Exhibition "INNOPROM. Central Asia" put into operation by the Exhibition Operator.

The Participant's management, changes and additions to it come into force and become mandatory from the moment of publication on the Exhibition website.

General Terms and Conditions - "General Terms and Conditions of Exhibitions organized by Formika Event LLC", which are an integral part of the Participant's Guide.

Exhibition Site - http://centralasia.biwexpo.com

Participant - a person who takes part in the Exhibition in any form in accordance with the type of participation provided for in the Exhibition Regulations and/or the contract (Participant, Partner, Sponsor, Exhibitor, Visitor and others).

Exhibitor - a Participant with whom a contract for participation in the Workplace of any category has been concluded (regardless of the name of the Participant in the contract).

Co-exhibitor - Participant participating in the Exhibition on the Exhibitor's Square with his consent. The Exhibitor is responsible for the actions/inaction of the Co-exhibitor participating in the Exhibition on the Exhibitor's Square. The registration fee shall be paid for each Co-exhibitor.

The Customer is the person ordering works and services within the framework of the Exhibition. Rules for Members shall apply to Customers.

Supplier - a person who supplies goods, performs works, provides services within the framework of organization and holding of the Exhibition, regardless of the name in the contract (contractor, developer and otherwise).

Person associated with the Exhibition - a person taking part in the Exhibition, its organization and **holding** (Participants, customers, agents, suppliers of goods, works or services and others) or a person located at the territory of the Exhibition and events.

Exhibition Contract - any contract concluded as part of the organization and holding of the Exhibition.

Participation Agreement - an agreement within the framework of the Exhibition concluded with the Participant or the Customer for the provision of participation, provision of exhibition and related **services/performance of** works.

Personal Account - **an electronic** personal account available on the Internet via the link provided by the Operator.

Exhibition Regulations:

- General Terms and Management of the Exhibition Participant
- sanitary requirements,
- the rules and regulations referred to in the Bidder's Guide,
- Rules and Regulations of the Technical Service of the Exhibition

Exhibition complex - includes open and closed areas of the International Exhibition Complex Central Asian Expo Uzbekistan (CAEx).

The territory of the Exhibition is open and closed exhibition areas, auxiliary squares and premises, venues for events within the framework of the Exhibition.

4.2. Publication of the Exhibition Regulations: The Exhibition Regulations shall be published on the **Exhibition website** http://centralasia.biwexpo.com unless another resource or publication procedure is provided by the Participant's Guide.

- The regulations of the Exhibition, amendments and additions to them come into force and become mandatory from the moment of publication.
- Persons associated with the Exhibition are obliged to familiarize themselves with the Exhibition Regulations, as well as their published changes and additions.
- The regulations of the Exhibition are mandatory for all persons associated with the Exhibition. Persons associated with the Exhibition shall comply with the requirements of the Exhibition Regulations and ensure their observance by those persons for whose actions they are responsible.

4.3. The Exhibition Regulations are an integral part of any agreements within the framework of the Exhibition (with Participants, customers, agents, suppliers of goods, works or services and others), regardless of the existence of a reference to the Exhibition Regulations in such agreement.
In case of contradictions, the terms of the agreement for participation and other agreement within the framework of the Exhibition shall have priority over the Exhibition Regulations, the terms of the Participant's Management shall have priority over the General Terms and Conditions of the Exhibition Technical Service.

4.4. Capitalized or lowercase terms are equivalent. Terms in the singular or plural are equivalent and include all objects designated by them, unless expressly stated otherwise.

4.5. The names of the sections of the Participant's Guide are for convenience only, do not have independent legal meaning and cannot be interpreted as limiting the content of the section.

4.6. ENFORCEMENT OF PARTICIPANT'S MANAGEMENT AND LIABILITY MEASURES

4.6.1. Violation of the rules of these Rules imposes penalties on persons associated with the Exhibition provided for in the Appendix Penalties for violation of the Participant's Management.

4.6.2. Measures to control and ensure the implementation of this Participant's Manual, including preparation of reports on violations committed, presentation of requirements for elimination of violations, measures to forcibly eliminate violations provided for in the Participant's Manual, imposition of penalties, shall be applied by the Operator, authorized persons and/or Technical Service of the Exhibition and authorized persons.

4.7. REGISTRATION AND CONCLUSION OF THE CONTRACT

1) Each Participant, regardless of the form and method of conclusion of the contract, shall undergo the electronic registration procedure for the Exhibition and obtain access to the Personal Account before the start of the services.
2) The Participant shall register by link on the Exhibition website, after which the Participant shall be granted access to the Participant's electronic PERSONAL ACCOUNT.
3) The contract for participation in the Exhibition is concluded in accordance with the procedure and on the conditions specified in the contract.
4) The Exhibition Regulations are an integral part of all agreements for participation in the Exhibition, regardless of the existence of a reference to the Exhibition Regulations in the Agreement.
5) The contract for participation in the Exhibition, concluded according to the standard form through the PERSONAL ACCOUNT, is an accession contract.
6) The order of additional equipment and services is available through the PERSONAL ACCOUNT.
7) The reservation of the Workplace is valid until the date of conclusion of the participation contract or until its cancellation. The reservation shall be cancelled: in the absence of the concluded participation agreement - at any time after the expiry of the period for payment of participation specified in the Operator's offer sent to the Participant, in the absence of the sent offer - three days after booking, as well as in the event of the Operator's refusal to participate - at the moment of such refusal.

8) Booking and re-booking after cancellation is possible not later than 18 days before the date of the Exhibition.
9) Re-booking creates a new contract and invoice, taking into account the cost of services, discounts and surcharges valid on the date of the last job reservation.
10) Participants who have not concluded the contract or have not paid any debts under the contract will not be allowed to bring exhibits and equipment to the territory of the exhibition complex and install the exhibition.
11) The Supplier (contractor, developer, etc.) engaged by the Bidder shall undergo the procedure of control of design and technical documentation in accordance with the requirements and regulations of the Technical Service of the Exhibition. The Participant shall inform the specified persons about this requirement.

4.8. PERSONAL DATA PROCESSING POLICY

The Personal Data Operator (hereinafter referred to as the PD/PD Operator) in relation to the person registering for the Exhibition is a person who is specified as the PD Operator in consent to personal data processing.
The Personal Data Processing Policy (hereinafter referred to as the Policy) of the PD Operator shall be provided to the Personal Data Subject (hereinafter referred to as the PD Subject) when issuing consent to the PD processing and shall be placed in the public domain.
For questions related to the implementation of the PD Operator Policy, you can contact the address provided when issuing consent to processing the PD.

Personal Data Processing Policy of the Exhibition Operator is publicly available on the Exhibition website: https://old.expo.innoprom.com/media/prezentacii/politika-konfidencialnosti-innoprom-centralnaya-aziya-RU.pdf
For questions related to the implementation of the Policy, please contact info@innoprom.com

4.9. LIABILITY AND NON-PARTICIPATION

4.9.1. The liability of the parties to the contract for participation and the conditions of refusal to participate/termination of the contract are regulated by the Participant's Guide, General Terms of Exhibitions and the contract.
4.9.2. In case of unilateral full or partial refusal of the Participant from the contract/participation in the Exhibition/from the services of the Operator (if the right to refuse is provided by the contract or law), the Operator shall have the right to demand from the Participant payment of a monetary

amount/amount of compensation (part 3 of article 310 of the Civil Code of the Russian Federation), in the amount of:
100% (one hundred percent) of the amount of the contract with the Participant/the cost of services that the Participant refused.

4.10. FORCE MAJEURE

4.10.1. A party to the contract shall not be liable if proper performance was impossible due to force majeure, i.e. extraordinary and irreversible circumstances under these conditions.

In particular, these circumstances include: natural disasters (earthquake, flood, hurricane), fire, epidemics, mass diseases, including the novel coronavirus infection COVID-19 and its modifications, or the threat of their proliferation, strikes, terrorist acts, sabotage, armed rebellion, riots, activities of illegal armed groups, traffic restrictions, restrictive and prohibitive measures of international bodies, States or authorized bodies, prohibition of trade operations, including with individual countries, adoption of international sanctions, restrictions on holding mass events, death or damage to the property in which the Exhibition (events) is planned (Exhibition sites (events)); military operations, special military or paramilitary operations and their consequences, The introduction of special regimes, including martial law, the legal regime of the counter-terrorism operation, a state of emergency, a state of emergency or emergency, or other special regime, Application of measures provided for in the legislation on martial law and counter-terrorism, on the state of emergency, on emergency situations, other similar measures, issuance of the relevant decrees of the President of the Russian Federation, adoption of relevant laws and other regulations and other circumstances beyond the control of the Parties to the Agreement, as well as their consequences.

4.10.2. The possibility of insurance of the relevant risks does not cancel the qualification of circumstances as force majeure.

4.10.3. The Parties agree that at the time of conclusion of the Agreement, they cannot foresee the development of the epidemiological, economic and political situation, the adoption of specific sanctions, the introduction of restrictions, special regimes, and other measures that may be taken by the competent authorities in connection with changes in the situation.

4.10.4. Underfunding or lack of financing, violation of obligations on the part of counterparties of the debtor, absence of necessary goods on the market for fulfillment of obligations, absence of necessary funds from the debtor, as well as the financial and economic crisis, changes in the exchange rate, devaluation of the national currency, criminal actions of unidentified

persons do not belong to force majeure circumstances, except where such circumstances result from force majeure, measures taken in response to them and their consequences.

4.10.5. In case of force majeure circumstances, the period of performance of the Operator's obligations, the period of the Exhibition (events) shall be postponed unilaterally by the Operator taking into account the terms during which force majeure circumstances and their consequences, the possibility of renting the Exhibition site (events), forecasts of the situation development and other noteworthy circumstances will apply.

4.10.6. If due to force majeure the dates of the Exhibition (events) have been postponed, the amounts previously listed by the Participant/Customer under the contract shall be credited against payment for participation in the Exhibition held within the new terms.

4.10.7. In case of objective impossibility or impracticability for the Operator to postpone the Exhibition (event), the Operator shall have the right to make a decision on cancellation of the Exhibition (event).

4.10.8. The Operator shall not be liable for any costs or losses of the Participant (all forms of participation), the Customer, the Supplier of goods, works or services, the agent and any other persons arising in connection with the postponement or cancellation of the Exhibition (event) due to force majeure circumstances.

4.10.9. The Party for which it is impossible to perform its obligations under the Agreement shall notify the other Party at the first opportunity of occurrence and termination of circumstances impeding performance of its obligations and bear risks of negative consequences for the other Party in case of late notification. The Operator may notify the Participants and Suppliers of the Exhibition (events), other persons related to the Exhibition of such circumstances by posting information on the official website of the Exhibition and/or in the Participant's Guide.

4.10.10. Confirmation of the occurrence of force majeure circumstances and their duration will be the legal acts of the authorities, documents (certificates, certificates) issued by the competent authorities, publications of leading central and regional media, as well as other relevant and permissible evidence. In cases established by law or international treaty, force majeure circumstances are confirmed in accordance with the procedure established by law (Law of the Russian Federation of July 7, 1993 N 5340-1 "On Chambers of Commerce and Industry in the Russian Federation," etc.).

4.11. SANITARY REQUIREMENTS

4.11.1. The Operator has the right to apply at the Exhibition territory sanitary rules, norms and recommendations, other restrictions established by the

competent authorities related to epidemics, mass diseases (including a new coronavirus infection COVID-19 or its modifications, norovirus infection and its modifications), or the threat of their spread, hereinafter - **Sanitary requirements**, and to demand their observance from all persons located at the Exhibition territory. In particular, acts of authorities, requirements and recommendations of sanitary services and doctors at the place of the Exhibition, other competent authorities and persons are subject to application.

Sanitary requirements, including the need to undergo testing or vaccination with the provision of supporting documents, may be provided.

4.11.2. Participants, their employees and representatives, Suppliers, technical personnel and other persons located in the territory of the Exhibition and events shall comply with the Sanitary Requirements of the Operator, including the requirements of rules, notices and instructions.

4.11.3. Sanitary requirements are posted on the official website of the Exhibition or are communicated to persons associated with the Exhibition in the form of rules, memos, instructions or any other form.

4.11.4. The Operator may, without returning the registration fee, the cost of the ticket or participation, prevent to the territory of the Exhibition and the event, refuse to register, prevent to participate, terminate participation in the Exhibition, remove from the territory of the Exhibition (including installation and dismantling, loading and unloading and auxiliary works) of any persons violating sanitary requirements, or who showed signs of infectious diseases, high temperature, or who did not submit documents provided for by Sanitary Requirements established as of the date of the Exhibition.

4.11.5. The Operator shall not be responsible for the deterioration of the health of the Exhibitor or other person associated with the Exhibition as a result of an infectious disease, including COVID-19 infection or its modification/norovirus infection and its modification, including if it occurred as a result of such person's failure to comply with sanitary safety and personal hygiene rules.

4.11.6. The Operator shall not be liable if the services are not provided in full due to the introduction of Sanitary Requirements.

5. FORMS OF PARTICIPATION WITH EXHIBITION AREA

5.1. Participation in the built-up (equipped) Workplace

5.1.1. Provision of participation in the built-up (equipped) Workplace, which means provision for temporary use of the exhibition area built up by the exhibition stand intended for participation in the Exhibition on the stand.

5.1.2. Provision of participation at the unequipped Workplace, which means provision for temporary use of the exhibition area not built up by the exhibition stand, intended for mandatory development by the exhibition stand and participation in the Exhibition on the stand.

5.1.3. Participants with whom a contract for participation in the Workplace of any category is concluded (regardless of the name of the Participant in the contract) are Participants with the form of participation "Exhibitor."

5.1.4. Information about the Participant with the form of participation at the Workplace is posted on the official website of the http://centralasia.biwexpo.com Exhibition and in the official catalogue of the Exhibition.

5.1.5. The Exhibitor/Co-Exponent shall ensure the operation of the exhibition stand and the presence of the representative of the Exhibitor/Co-Exponent at the stand during the whole period of the Exhibition.

5.1.6. The terms of use of the Workplace (terms of handover and return, installation and dismantling works, delivery of equipment, work of pavilions, etc.) shall be determined by Section 3 of the Participant's Manual.

5.1.7. The Operator shall have the right to change the location of the exhibition area (Workplace) provided to the Exhibitor within the total exhibition area allocated for the Exhibition, including due to organizational and technological reasons, sanitary requirements, emergency situations, as well as at the request of state, municipal and other authorized bodies and services. The Operator shall notify the Exhibitor in writing of changes in the location of the Exhibitor's Workplace and other design changes affecting the positioning of the Workplace.

5.1.8. The Participant shall, at its own resources and at its own expense, place exhibits at the Workplace.

5.1.9. Not included in the cost of participation in the Workplace (exhibition area) and ordered for a separate fee services and options not listed in the description of the relevant participation form section 7 of the Participant's Guide.

The list and cost of additional services are posted in the Participant's PERSONAL ACCOUNT on the Internet.

5.2. **Participation in the unequipped Workplace.**

5.2.1. Provision of participation at the unequipped Workplace, which means provision for temporary use of visually marked exhibition area, not built up by the exhibition stand, intended for mandatory development by the exhibition stand and participation in the Exhibition on the stand.

5.3. **Participation in the non-equipped Workplace for oversized equipment.**

5.3.1. Provision of participation at the unequipped Workplace, which means provision for temporary use of visually marked exhibition area not built up by the exhibition stand, intended for mandatory partial development by the exhibition stand (carpet) and participation in the Exhibition on the stand.

5.4. **Participation as partner or sponsor of the exhibition, as well as in the partner square.**

5.4.1. Participation in the partnership area provides for the inclusion of the services of the General Partner/Strategic Partner/Official Partner package or other partnership or sponsorship packages.

5.4.2. The integrated service provides for participation of the Participant in the Exhibition as the official Partner/Sponsor of the Exhibition or special projects implemented within the framework of the Exhibition on individual terms determined depending on the volume and nature of participation of the Partner/Sponsor in the organization and holding of the Exhibition and established by the agreement of the Parties in the Agreement concluded between the Operator and the Participant (on partnership/sponsorship agreement, etc.).

5.4.3. The Partner/Sponsor may be provided by the Operator with any services stipulated by this Participant's Guide and its appendices, specified on the Exhibition website or individually agreed in the Agreement.

5.4.4. The composition, qualitative and quantitative characteristics of the services provided by the Operator to the Partner/Sponsor, terms and procedure for their provision shall be determined by agreement of the Parties when concluding the Partnership/Sponsorship Agreement depending on the scope and nature of Partner/Sponsor's participation in the organization and holding of the Exhibition.

5.4.5. Partner/Sponsor is provided with exhibition space for development. Any other equipment and technical services shall be ordered for a fee through the Personal Account.

5.5. **Detailed information on participation forms is given in Annex 1 to this Guide.**

5.6. Participants with whom a contract for participation in the Workplace of any category is concluded (regardless of the name of the Participant in the contract) are Participants with the form of participation "Exhibitor."

5.7. The Operator shall have the right to change the location of the exhibition area (Workplace) provided to the Exhibitor within the total exhibition area allocated for the Exhibition, including due to organizational and technological reasons, sanitary requirements, emergency situations, as well as at the request of state, municipal and other authorized bodies and services. The Operator shall notify the Exhibitor in writing of changes in the location of

the Exhibitor's Workplace and other design changes affecting the positioning of the Workplace.

5.8. The development of the area, except for the category of the built-up (equipped) Workplace, is carried out by the Participant independently or with the involvement of third-party development firms (accreditation of third-party development firms is mandatory).

5.9. It is not allowed to independently build standard stands using typical designers (Octanorm or analogues) of the stands by the Participant, as well as their construction on an unequipped and open area, as well as an independent label of the Equipped workplaces (standard stands). The Operator has the right to build standard stands within the framework of the Exhibition. It is prohibited to use metal hooks, adhesive tapes, in case of independent sticking by the Participant of stands (including double-sided tape with independent sticking by the Participant of stands of "Standard" and "Business" category), polluting surfaces of structures of stands elements (wall panels, information racks, frieze), floor or other structures of the pavilion to which fixation was carried out.

5.10. The Participant shall, at its own resources and at its own expense, place exhibits at the Workplace. The rules for placement of exhibits are specified in item 9.12.1 of the Manual.

5.11. The Participant with whom the contract for participation in the unearned Workplace of any category (regardless of the name of the Participant in the contract) has been concluded, shall, by its own efforts and at its own expense, ensure that the number of its stand is indicated on the visible part on the side of the passages. The booth number should be clearly distinguishable and read at a distance of three meters so that visitors can easily navigate and determine the desired booth. The exhibition operator independently places rooms on equipped stands of categories "Standard" and "Business." The number will be placed on the frieze panel or any other visible part of the stand.

5.12. Participants/Developers engaged by them, with whom an agreement has been concluded to ensure participation with the exhibition area (at an unequipped or equipped Workplace) of any category (regardless of the name of the Participant in the contract), shall necessarily pass the approval of the design and technical documentation of the exhibition stand with the technical service of the Exhibition, as well as order and pay all necessary technical services and fees.

6. FORMS OF PARTICIPATION WITHOUT EXHIBITION SPACE

6.1. The actual composition of services and their cost are specified in Appendix No. 1 to the Manual.

6.2. **Participation with VIP participation package**

Assumes the following composition of services (per 1 person):

6.2.1.1. VIP-badge

6.2.1.2. Priority access to the main plenary session *

6.2.1.3. Access to VIP lounge.

6.2.1.4. Separate registration area.

* The Operator shall not be responsible for decisions on admission made by state authorities based on the results of inspection of documents of individuals. The Service shall be deemed properly provided by the Operator. In case of delay, the VIP participant may not be allowed to attend the event, and the availability of seats is not guaranteed. In such case, the Operator shall not be liable for failure to provide the service.

6.3. Participation in the business program

6.3.1. The provision of participation in the business program as a business program partner means the provision of the opportunity to hold its own event of the Participant, as well as related services.

6.4. Participation in the category "Delegate"

6.4.1. The provision of delegate participation refers to the granting of accreditation in the category "Delegate." *

6.4.2. Representatives of federal public authorities, as well as heads of delegations of the level: deputy governor, vice-governor, chairman of the government of the region, minister of the region (or similar position), etc. The decision to grant accreditation in the category Delegate shall be made by the Operator at its own discretion.

* The Operator shall not be responsible for decisions on admission made by state authorities based on the results of inspection of documents or forms of registration of individuals. The Service shall be deemed properly provided by the Operator.

6.5. Participation of visitors

6.5.1. The Visitor has the right to visit the Exhibition on the basis of Registration on the official website of the Exhibition. Registration is a prerequisite for attending the Exhibition.

6.5.2. The rules of presence at the Exhibition and the liability of Visitors shall be governed by this Participant's Guide and Section III of the General Terms.

6.5.3. The rules for Visitors (including liability) apply to all individuals present at the Exhibition.

6.5.4. The Operator shall post up-to-date information for Visitors on the Exhibition website.

7. ACCESS TO THE EXHIBITION AREA

7.1.1. Entrance to the territory of the Exhibition Complex is carried out by passes. Passes must be carried with you during the entire period of stay on the territory of the exhibition complex.

- **Visitors:** the pass for the visitor is an electronic ticket, which gives the right to pass to the exhibition center during the days of the Exhibition. You can get an electronic ticket by registering on the site and saving an electronic ticket on your smartphone or printing it out. You do not need to receive a badge.
- **Participants:** a pass for the Exhibition Participants is a badge, which gives the personnel of the companies - Participants of the Exhibition to pass to the exhibition center during the period of installation/dismantling and work of the Exhibition. When staying in the exhibition center during installation and dismantling works, the participants of the Exhibition shall strictly comply with the safety requirements on the construction site. You can get a badge at reception.
- **Participants "Contractors:** Access of the Participant's technical personnel during the period of installation/dismantling is possible by installation passes (issued by the Technical Service of the Exhibition), on the days of the Exhibition (issued by the Operator during the days of operation of the accreditation center) - by badges at the rate of 5 badges per each built-up stand. If this limit is exceeded, the issue is carried out for an additional fee of 3000 rubles per badge. Participants of the Exhibition shall ensure strict compliance of their personnel when staying in the exhibition center during installation and dismantling works with safety requirements on the construction site. You can get badges at reception.

7.1.2. If the badge is lost, re-issue is carried out at an additional cost of 1,000 rubles per badge.

7.1.3. Participants shall, not later than 12 days before the date of the Exhibition, enter information about all representatives of the Participant who will represent the company at the stand, as well as all contractors of the Participant on the Exhibition website in the section "Registration" for the purpose of obtaining badges and admission to the Exhibition territory.

7.1.4. **PROHIBITED:**

- Transfer or sell the ticket to a person to whom the ticket was not issued by the Operator.
